Dear Mr. Spyksma:

Re: Chartrand Forest Service Road Wildfire Recognition

Please be advised that at the District of Logan Lake July 13, 2021 Regular Council Meeting, the following resolution was adopted:

“THAT a thank you letter be sent to Logan Lake Emergency Services, Logan Lake Emergency Operations Centre, Logan Lake Fire & Rescue, and Forsite Consulting Ltd. For their dedication and commitment during recent fires in the area.”

The District of Logan Lake would like to sincerely thank all of the personnel that assisted us this wildfire season. Without your assistance, we would have had a much greater disaster than we did. Although the Tremont Creek Fire dominated the majority of our resources later in the season, your assistance and perseverance combating the Chartrand Forest Service Road wildfire did not go unnoticed.

Collectively it was a job well done by everyone.

A heartfelt thank you to all the dedicated emergency responders for your sacrifice of time and energy to meet the needs of our community.

Sincerely,

Laurel Grimm
Director of Corporate Affairs
